Bargain Friday: A Day of Exceptional Values

Our extraordinary low prices will prove absolutely unparalleled—you may shop in any department and the savings will tell you why Bargain Friday always brings such a crowd to the store.

But by far the most important factor in the event—the one thing that you critical New York women will appreciate the most-is the complete departure from the ordinary, the getting away from what everybody else shows you, that you will notice first of all in these Suits.

To be perfectly frank, we were strongly inclined to place all these Suits in our famous \$25.00 series of Suits—the place of honor for any Suits below the \$40.00 class—but our merchandising and selling rules require that all savings effected in purchasing shall show cent for cent in the advertised selling price; therefore, we are bound by principle to sell you these \$25.00 and \$30.00 Suits for \$20.00 and not a cent more.

Dressy trimmed styles as well as plain tailored models. The newest cutaway coats with plain or novelty collars and other smart effects with graceful revers; trimmings are of embroidery, satin, bengaline, laces, buttons, tassels, etc. Each is lined with peau de cygne in pleasing shades.

The skirts show all the latest models. The materials are whipcord, fine all wool serges, English novelties,

striped and fancy mixtures. All sizes from 34 to 44 inch bust.
